

We deliver
peace of mind,
as well as world-class
injectables

Your partner
for injectables

Introduction Nichepharm

Nichepharm Lifesciences Pvt. Limited is a pharmaceutical company envisaged to meet the growing demands of sterile injectable and biologics with an aim to provide access to affordable medicines for the Indian subcontinent, emerging and developed markets. The company leverages the vast expertise of the promoters who have experience of over 2 decades in successfully managing and running sterile facilities.

The company is being set up as a joint venture between the Sobti family and Recipharm AB (among the top 5 CDMOs worldwide). The partnership brings on the table brand and recognitions, market intelligence and access to world class technology.

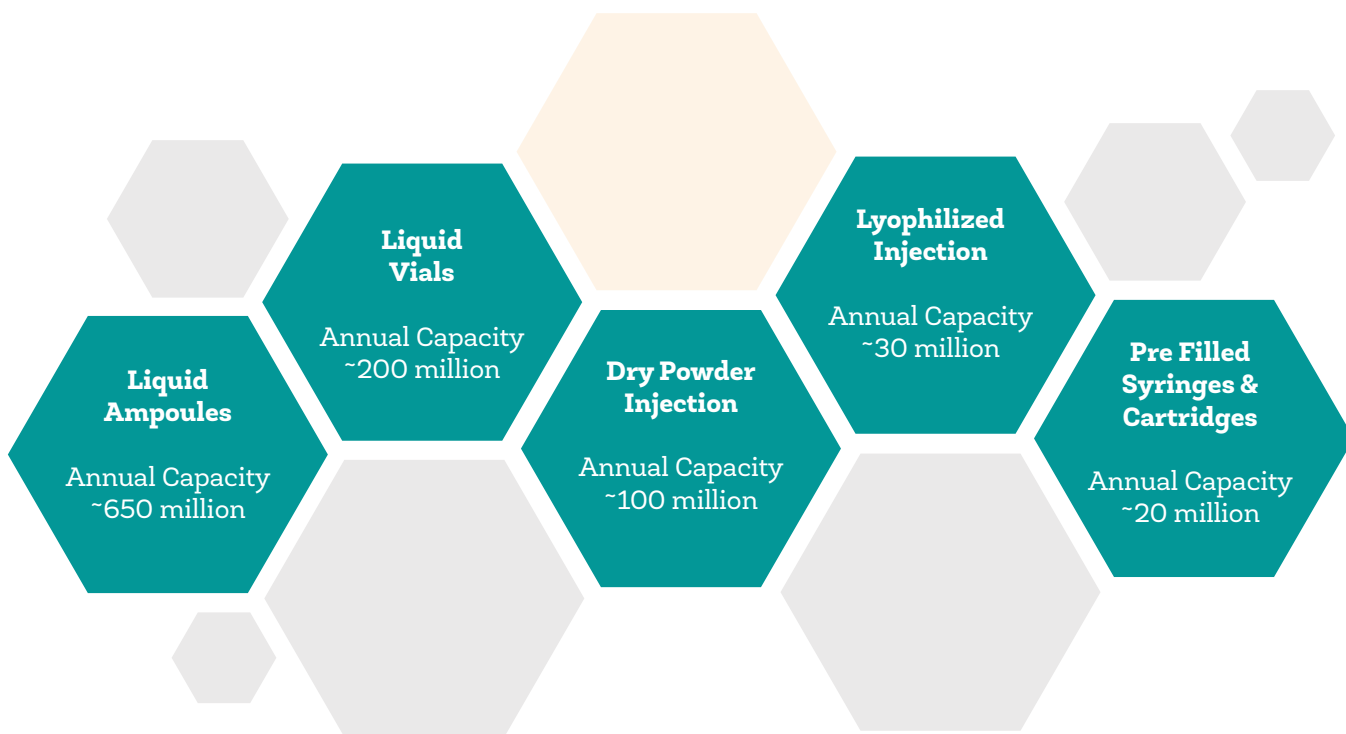

The company is headquartered at Gurgaon, Haryana and has a state-of-the-art manufacturing facility located at Selaqui Dehradun commissioned in 2021. The facility is designed to be compliant with all international regulatory authorities with a capability to manufacture a wide range of small volume parenteral and offers largest capacities for injectable under one roof in India.

Locally Present For Your Global Needs

In every project Nichepharm undertakes, we aim to become an integral part of protecting the efforts and investments our customers have put into establishing their good name and reputation.

The processes and costs involved in choosing a contract development and manufacturing partner leave no margin for error. Once we begin a professional working relationship, we are committed to not just maintaining it, but strengthening it over the long-term.

All of these are qualities that are always in the best interests of our customers. That is what we call good for business.
